

The ACRE Co-op Owners for Political Action program is an exciting new opportunity for residential consumer-owners to strengthen their voice in the political process.

For over 30 years, the Action Committee for Rural Electrification® (ACRE®) has been working to support candidates for the U.S. Senate and House of Representatives who understand and support electric cooperatives and their consumer-owners. Now through the special new program, ACRE Co-op Owners for Political Action, you as a consumer-owner, have the ability to strengthen this support and join the over 25,000 members of ACRE.

We hope that you will consider this program. Together we will continue to fight for a viable environment for electric cooperatives and the quality of life of the people and communities' cooperatives serve.

It is easy to participate in ACRE through the ACRE Co-op Owners for Political Action program. You may use cash or a personal check to make a contribution by completing the form below.
